

## Hepatitis C Clinical Provider Training Series

October 1, 2019

4:30-5:30

### EMPIRE LIVER FOUNDATION CLINICAL HEPATITIS TRAINING PROGRAM: HEPATITIS B AND C CLINICAL PROVIDER WEB SERIES

#### AGENDA

WCWD(SC)4298

#### OBJECTIVES

Participants will be able to:

1. Describe the importance of interprofessional collaboration in effectively meeting the healthcare, educational, and psychosocial needs of patients living with hepatitis B or C infection.
2. Describe the epidemiology and natural history of hepatitis B and hepatitis C infection.
3. Use updated guidelines to identify patients at risk for hepatitis B and/or hepatitis C infection and provide screening according to these guidelines.
4. Select appropriate antiviral treatments for people living with hepatitis B or hepatitis C, including special populations such as people with advanced liver disease or HIV co-infection.
5. Explain the efficacy and safety of current and emerging therapies for hepatitis B and C, including use in special populations such as people who use drugs or alcohol or have substance use disorders.
6. Illustrate how to counsel patients diagnosed with hepatitis B or C regarding risks and benefits of therapies and involve them in shared treatment decisions.
